International Skills Applied for Geriatrics

A Bridge Training Program for International Healthcare and Educational Professionals

Are you an internationally trained Doctor, Nurse, Teacher, Social Worker or Psychologist? Do you come from a related profession that requires a licence in Canada? Join an innovative alternative career training program and explore employment in the high demand field of Social Services for Geriatrics.

12-WEEK PROGRAM INCLUDES:

- Academic curriculum (3 courses) delivered by George Brown College
 - Principles of Social and Community Services in Ontario
 - Essentials of Counseling
 - Fundamentals of Gerontology
- Sector-specific workplace essentials and communication training at JVS Toronto
- Job shadowing and work placements
- Employer information sessions and job opportunities
- Job search coaching and support

ELIGIBILITY REQUIREMENTS:

- English language proficiency of CLB 7 or higher.
- Open to Permanent Residents or Canadian Citizens
