a financial contribution from Health Canada.

We're opening doors  
to International Health  
Professionals.

Access Centre for Internationally  
Educated Health Professionals

# The Access Centre for Internationally Educated Health Professionals.

## What is HealthForceOntario?

HealthForceOntario is Ontario's health human resource strategy. The goal of the strategy is to ensure that Ontario has the right number and mix of appropriately educated health care practitioners in the right place at the right time with the right skills.

## What does the Access Centre for Internationally Educated Professionals offer?

The Access Centre helps internationally educated health professionals living in Ontario with information, advice and support on the process of seeking eligibility for professional practice in Ontario.

## The regulated health professions we currently serve are:

Audiology and Speech Language Pathology	Medical Radiation Technology
Chiroprody and Podiatry	Medicine
Chiropractic	Midwifery
Dental Hygiene	Nursing
Dentistry	Occupational Therapy
Dental Technology	Opticianry
Denturism	Optometry
Dietetics	Pharmacy
Massage Therapy	Physiotherapy
Medical Laboratory Technology	Psychology
	Respiratory Therapy

## We offer many services:

- Centralized access to information and advice for all regulated health professions
- Information about licensing and registration
- Ongoing support, in person or on the phone, to help you find the most effective path to professional practice
- On-site reference materials and resources
- Referral to relevant organizations and community resources
- Alternative professional options that complement your skills
- Information and referrals for retraining and bridge-training programs
- Referral to education and assessment programs to provide timely access to the best services available, as close to home as possible
- [www.HealthForceOntario.ca](http://www.HealthForceOntario.ca) for online information and registration
