The Access Centre

HealthForceOntario Marketing and Recruitment Agency: Access Centre

What is HealthForceOntario Marketing and Recruitment Agency?

The Access Centre is part of the HealthForceOntario Marketing and Recruitment Agency, a non-profit, independent operational service agency of the Government of Ontario. The Agency is a core component of the provincial HealthForceOntario strategy—a multi-year, collaborative plan to provide Ontario with the right number and mix of health care providers, working in communities across the province to meet our health needs – now and in the future.

What does the Access Centre offer?

The Access Centre provides a number of services including help for internationally educated health professionals seeking information, advice and support on their path to professional practice in Ontario.
