

# Your Next Address for Success Espanola, Ontario

Rediscover your passion for medicine in beautiful Espanola, situated among pristine lakes and old growth forests, yet just 45 minutes west of Sudbury, home of the Northern Ontario School of Medicine. Right now, the following full-time and locum opportunities are available:

Permanent—Espanola Family Health Team (Family Medicine)  
Locum—Espanola Regional Health Centre (Hospital ED and/or Hospitalist)

## A Great Place to Live and Work

Espanola is one of Northern Ontario's most attractive and spectacular four-season playgrounds. Here, you can enjoy boating, fishing, hiking or testing your skill on the town's challenging nine-hole golf course. In winter, you can indulge in some of the North's finest snowmobile trails as well as skiing, snowboarding and curling. Espanola's clubs are 100% volunteer-run.

A family-oriented, friendly community, Espanola also offers a full service recreation complex, art tours, regional festivals and live theatre, featuring the town's award-winning troupe.

Espanola is the only community in Northern Ontario to have won national recognition at the Winterlights competition two years running, with special acknowledgment for its community spirit and pride.
