

## The Interprofessional Care / Education Fund 2007/08 (ICEF) Projects

The Interprofessional Care / Education 2007/08 Fund (ICEF) is a funding program that supports innovative health education or health care projects that foster and build interprofessional teams. The ICEF is a joint initiative of the Ministry of Health and Long-Term Care and the Ministry of Training, Colleges and Universities, currently administered by the HealthForceOntario Marketing and Recruitment Agency.

The objectives of the ICEF are to support innovative health education or health care delivery projects that:

- 1) Educate, foster and build IPC teams across health care delivery settings; and
- 2) Develop mechanisms in health education and health care delivery settings that help to integrate the practice of IPC in Ontario.
