

Your life's calling in Kinmount, Ontario

A brand new \$20,000 physician's office and examination room are just part of the welcome package that awaits Kinmount's next family physician. Put your name on this opportunity and enjoy life in the "Lake Country" lane.

The Kinmount and District Health Centre is a thriving centre of patient care, located at the intersection of three counties in Ontario's beautiful Lake Country: the County of Peterborough, the City of Kawartha Lakes and Haliburton County. Kinmount is just two hours northeast of Toronto.

A Great Place to Work

- The Kinmount and District Health Centre is a 7,000 sq. ft, modern well-equipped facility that recently underwent a million dollar expansion
- Over twenty-thousand patient visits take place annually at the Health Centre
- The Health Centre is currently home to two family physicians with successful and rewarding practices of 10 years and six years, respectively
- An immediate patient base awaits the third doctor
- The Health Centre also features:
 - A modern Rehabilitation Centre complete with a well-equipped gym under the direction of a registered physiotherapist
 - An onsite pharmacy run by pharmacist
 - A home health-care manager
 - A specimen laboratory
 - Professional onsite support for arthritis, Alzheimer's, diabetes, hearing problems, and hip and knee pre-operation services

Your Compensation and Benefits

- Fee-for-service payment model
- Over \$80,000 incentive support available over the first four to five years
- The Kinmount community covers all building maintenance and upgrade costs
- The Kinmount community supplies all medical equipment, furniture, fixtures and state-of-the-art computer systems
- The new physician will share \$9,000 per year overhead building costs with two current physicians
- The current physicians will provide six months' building cost relief for the new physician
