

Take a walk on the *life* side in... Kirkland Lake, Ontario

Looking for a fabulous rural practice location? A flexible opportunity awaits you in Kirkland Lake! Choose a practice that includes any combination of family practice, emergency care, hospitalist, obstetrical, antenatal/postnatal care, nursing home care, occupational medicine, surgical assistance, etc. Because of our hospitalist program, the opportunity also exists for no call and more time with your family!

A Great Place to Work

The Kirkland and District Hospital and Kirkland District Family Health Team jointly serve a catchment area of 15,000 people and offer:

- State-of-the-art equipment including advanced technology for electronic medical records and telemedicine programs
- Excellent continuing education opportunities
- Local specialist support in surgery and anaesthesia
- Local allied health support including nurse practitioners (5), physician assistants (2), respiratory therapy, physiotherapy, discharge planning, social work, dietician, etc.
- Visiting specialist support including internal medicine (every week), OB/GYN, urology, ENT, neurology, ophthalmology, paediatrics, physical medicine and psychiatry
- No call unless you are covering ER, anaesthesia, obstetrics or are one of two hospitalists on for the week
- Teaching opportunities in conjunction with the Northern Ontario School of Medicine
- Opportunity to practice true full-service medicine!

A Great Compensation, Incentives and Benefits Package

Compensation

- For family practice, join the physicians at the multi-disciplinary Family Health Team who have established an FHN or work FFS.
- For in-patient care, our hospitalist compensation (including stipend and FFS billings) averages \$11,000 per week.
- For emergency room service, an alternate payment plan is in place that pays physicians an average of \$148 per hour.

Incentives

- \$111,600 (potential) over four years from HealthForceOntario Northern and Rural Recruitment and Retention Initiative.

Benefits

- Generous local recruitment package.
- Low overhead turn-key practice setting (\$2,000/month inclusive of rent, utilities, supplies, staffing).

community showcases!

A Great Place to Live

Located in northeastern Ontario, Kirkland Lake is a booming gold mining community of 10,000 people. This friendly town is located 30 minutes from Quebec, 2.5 hours from North Bay, 3.5 hours from Sudbury, 6 hours from Toronto and 6.5 hours from Ottawa. The community offers bilingual primary and secondary schooling as well as a community college and many cultural events.

Surrounded by lakes, Kirkland Lake is a natural outdoor paradise offering summer and winter activities such as golf, fishing, soccer, baseball, curling, cross-country/downhill skiing, snowmobiling and snowboarding as well as many others. Also, the town's vibrant community complex offers many specialty classes and has a rink, pool, squash courts, and fitness area.
