

Hear that? Your life's calling in Kinmount, Ontario

Kinmount is searching for its third family physician! Are you searching for us? A brand new, completely furnished physician's office and exam room are just part of the welcome package that awaits our next physician.

Just two hours northeast of Toronto, the Kinmount and District Health Centre is a thriving centre of patient care, located at the intersection of three counties in Ontario's beautiful Lake Country.

A Great Place to Work

- The Health Centre is 7,000 sq. ft. and was recently renovated to add offices and examination rooms to accommodate two additional doctors, visiting specialists, a pharmacy and various allied health care services.
- The Health Centre is currently home to two family physicians with successful and rewarding practices of 12 and 6 years respectively.
- An immediate patient base awaits our new doctor.
- The Health Centre also features:
 - A modern and well-equipped Rehabilitation Centre and gym under the direction of a registered physiotherapist
 - An onsite pharmacy staffed with professionals
 - A specimen lab
 - Professional onsite support for arthritis, diabetes, hearing problems, and Alzheimer's; and, through Toronto's Mt. Sinai hospital, onsite hip and knee pre-operation services.

The Benefits to You

- Over \$80,000 incentive support available over the first four to five years
- The Kinmount Community covers all building maintenance and upgrade costs and supplies all medical equipment, furniture, fixtures and state-of-the-art computer systems
- Low overhead costs
- Well respected and supportive colleagues
- Ongoing community support

A Great Place to Live

- Excellent roads and no traffic issues
- Excellent housing and land opportunities
- Four season recreation at your doorstep including golf, boating, cycling, hiking, skiing, hockey, curling, snowshoeing, and fishing
- Easy access to theatre, art and craft activities, churches, schools and service clubs
