

You have the skills. Marathon, Ontario has the opportunity.

The Marathon Family Health Team is looking for between three to five family physicians to join its award-winning medical practice. Last year, the Marathon team was recognized as the 2009 Family Practice of the Year by the Ontario College of Family Physicians.

You will want to be part of this success story.

A Great Place to Work

- Control over hours worked
- Progressive and innovative practice
- An interprofessional clinic (social worker, dietician, RPNs, RNS, NP, physician assistant and epidemiologist) that serves a local population of 4,400, as well as Pic River and Pic Mobert First Nations (total approximately 5,500)
- A nine-bed acute care bed hospital, plus a 12-bed chronic care wing with regional referral centre 300 km away
- Optional low risk obstetrics
- Visiting surgeons do consults and GI endoscopy; visiting ophthalmologist does consults and cataract surgery; and a shared mental health model works with a psychiatrist
- Approximately 10-15 patients per 24hr ER shift
- Teaching and research opportunities
- Newly renovated clinic building with large, open-styled office space that provides opportunity for corridor consults
- EMR with updated cumulative patient profiles and medication profiles

Your Compensation and Benefits

- Earnings potential between \$250,000 to \$400,000
- \$117,000 recruitment incentive paid over four years (MOHLTC N3R incentive)
- Rent-free, fully furnished house available for two years cost relief for the new physician

community showcases!*

A Great Place to Live

- World-class boating, golfing and kayaking
- Year-round indoor swimming and other family amenities
- A mid-way location between Sault Ste. Marie and Thunder Bay
- Status as the economic hub of the north shore of Lake Superior
- A young, vibrant population of 4,400; 72% of whom are under 45 years of age
- Beautiful, natural vistas including boreal forests and rich mineral deposits
