

You have the surgical skills... Temiskaming Shores, Ontario ...has the opportunity!

With scenic landscapes, the potential for tremendous earnings, well-equipped operating suites and much more, a general surgeon can have it all in Temiskaming Shores.

Temiskaming Shores is seeking two general surgeons to work in its active operating rooms that handle more than 400 in-patient and 1,500 out-patient procedures annually.

A Great Place to Work

Your surgical practice will be located at Temiskaming Hospital—a modern, 59-bed facility that prides itself on providing excellent care to a surgical catchment area of 30,000. You will be part of a multidisciplinary team that includes family practitioners, general surgeons, general practitioner anesthetists, an internist, pathologist, radiologist and many visiting clinical specialists. The hospital has a 64-slice CAT scanner. Temiskaming Hospital is a proud member of the Ontario Telemedicine Network, one of Canada's leading telemedicine service providers and the largest video conference-based network in Ontario. Using live, two-way videoconferencing and electronic medical devices, the hospital participates in medical specialist consultations for patients and continuing education for health professionals.

As a member of the hospital's medical staff, you will also be eligible to apply as a faculty member to the Northern Ontario Medical School.

A Great Compensation and Incentives Package

Compensation

- \$500,000/year or more fee-for-service
- \$137,600 per annum on-call fund, shared amongst surgeons
